

## **Summary on Assignment 3 – Video on Virtual Talk and Visit to UTM Digital**

On the 5<sup>th</sup> Of December 2023 we attended virtual on UTM Digital . From the talk we get a little overview on the functions and departments available in UTM Digital . The virtual talk was very informative as we get in depth detail about UTM Digital and it's functions. On the 20<sup>th</sup> December 2023 we visited UTM Digital . It was interesting to visit the place in person itself . We get to see the UTM staffs workplace and their working environment . The UTM staffs there were friendly and extremely helpful as they provide us with a lot of knowledge about the organisation and functions of UTM Digital . Overall it was a great experience . From this assignment , we get to learn more about UTM Digital . From this assignment we are able to learn to use all sorts of different software to create a video regarding the virtual talk and the visit .
